Work Experience

Mar 2022 - Present

Visual Information Specialist

Booz Allen Hamilton
Natick, MA

Creating collateral for different departments while assigned to the Natick Soldier System Center as a part of their Strategic Communications team. Including but not limited to: posters, briefings, brochures, iconography, prototype sketching, concept art, and more. Also support the AV team during events and presentations as well as video recordings.

Nov 2021 - Feb 2022

Graphic Designer

Lifesong Church
Sutton, MA

Designed graphics for a wide range of ministries in the church, both digital and print. Created weekly collateral for social media and LED screens, for sermon series and special events; as well as any photography edits needed. Printed deliverables included handouts, booklets, posters, QR tags, and other material. Environmental design was also included; updating ministry banners, outdoor flags, and the main campus' outdoor signage.

May 2018 - Aug 2020

Graphic Design Specialist

Company Launch Partners
Boston, MA / Providence, RI

Designed marketing collateral including sales pitch decks, marketing brochures, and the creation of a custom card line including thank you cards and holiday cards. Worked directly with the CEO in the creation of an updated logo, website, marketing programs, and painted wall backdrop in a pivot of the company's business offerings.
